

The Master Meters are located at three of the Municipal Parking Lots, as follows:

1. Washington Avenue Lot - located next to the Municipal Complex
2. Center Avenue - South Lot - located just south of Westwood Avenue
3. Fairview Avenue Lot - located just south of Westwood Avenue

Instructions for the use of the Master Meters are posted on the unit itself and are displayed on signs posted throughout the Municipal Parking Lots.

Note the number of the parking space where you have parked your car. The number is painted on the pavement at the back of the space **OR** is indicated on a post at the front of the parking space.

1. Proceed to the Master Meter (located near the front of the Municipal Parking Lot).
2. Enter the number of the parking space, utilizing the keypad on the Master Meter.
3. Deposit the appropriate number of coins for the desired amount of time.
4. Press the green button to complete the transaction.
5. Retain the receipt as proof of payment.
