

Public Notice  
Pascack Valley Hospital

Please be advised that in accordance with state regulations, Pascack Valley Hospital (PVH) has arranged for long term storage of its patient and business records with the six storage companies listed below. It is anticipated that the majority of records will be available at these locations by the end of March, 2008. Please allow 2-3 weeks to process all requests. Release of records will be expeditiously processed for a medical emergency upon physician request.
