**Time: 10 am—12 noon**

**Location: Westwood House**

**100 Madison Avenue Westwood, NJ 07675**

## What You Need To Know

- This year we will be offering a Quadrivalent vaccine which protects against four different flu virus strains as well as a High Dose vaccine (if available from manufacturer) for those 65 years of age or older—the higher dose allows for older individuals to develop a better immune response to the flu virus. The cost is \$35 for the High Dose vaccine for those not covered by Medicare.
- Regular Medicare participants must bring their Medicare Part B card for us to bill Medicare.
- The vaccine costs \$25, we do not accept insurance (cash/check only, no credit cards). This cost also applies to those who have a Medicare HMO (Medicare Advantage).
