Old Business

Farmer's Market – Tentative opening of Farmer's Market was set for July 4th. This was an effort in collaboration with the Westwood Chamber of Commerce.

Mr. Joseph Abou-Daoud, made an appearance to the council. The council were concerned about few safety issues that Mr. Abou-Daoud would look into with both the police chief and EMS. If all met their approval the council would sign off on the Farmer's Market.

Location: The location suggested would be across the municipal parking and the date to be every Saturdays. The committee thought it best to further study the size, location and date in addition to licenses and city ordinances that would have to be in place prior to opening the market.

Rain Garden: Tentative or suggested site of the rain garden would be Brookside Elementary School. Another location would be the grounds of the library.

Rutgers will assist committee to come up with one. Location needs to be identify.
