

HAVE A HEART

"Have a Heart ", a volunteer drive to collect gifts for Westwood families who could use some help during this time of year, will collect gifts through December 14, 2015. Go to the Westwood Municipal Building and pick up a heart, or two, or three. They are available on display in the main lobby, 101 Washington Avenue. On the heart there will be an alphabet letter and a number. There will also be the sex, size and age of the person you are buying for. After purchasing your gift(s), attach the heart(s) to the item so that it can be distributed correctly, We ask that you send a roll of wrapping paper and scotch tape (if possible) along with your donation. Do not wrap any of the gifts. If you have any questions, you can reach Jeannine Dineen at jeannedineen@gmail.com or call 201-723-0217.
