Park Bench Donation Program

The Borough of Westwood is pleased to offer our Park Bench Donation Program to remember a loved one or to honor someone's special achievement. Your bench will enhance the aesthetic value of our community for all to enjoy while preserving the legacy of a family member or friend.

The Borough has selected two attractive new benches for our parks:

For Veteran's Park: The Victor Stanley solid black cast iron bench. These are available as memorial benches only. (In Memory of . . . , etc.) This bench has an armrest in the middle. (not pictured)

For Brookside, Hegeman, McKinley, Voorhis, Westvale, and All Other Parks: The Wabash Valley brown plastisol coated steel bench. These benches can be memorial or commemorative by friends, family, organizations, or private companies. This bench has an armrest in the middle. (not pictured)

All of the benches are durable and easy to maintain. Donations may be eligible for charitable receipts for income tax purposes. Please consult your tax advisor.
