

The estimated 3rd quarter 2010 property tax bill was mailed on June 14, 2010. Since the Bergen County Board of Taxation has not determined the 2010 tax rate, an estimate has been used to calculate the 3rd quarter payment.

The 3rd quarter 2010 tax payment is due by August 1, 2010, although no interest will be charged as long as the payment is in the Tax Department by August 10, 2010. Payments received after August 10 will be charged interest from August 1.

The interest rate for delinquent taxes is 8% for the first \$1,500.00 and 18% is charged for amounts above that.

Since there is no 2010 tax rate at this time, annual 2010 taxes cannot be determined.
